Trying to sleep but it's hard since I am really sad and worried about that you might not wanna see me ever again. Feels very weird when thinking about all the fun times we had. Trying to keep a positive attitude but I don't know how I will move on without getting the chance to see you ever again, to at least give back what I can and to show you how much I care and enjoy spending time with you. I hope that you can forgive me for previous mistakes and the fact that I did not find a new girl and that we can focus on all the other things I can do for you to make you happy. We can really step up from here I promise you

and start having even more fun stuff together. More than we ever had before taking into consideration how comfortable and confident I am now. Kisses

I am glad you have girls that you are happy with. They sound great. I would like to meet them. When you are talking about videos now do you mean porn? I did watch porn. I liked some videos of it and some videos not so much. Just personally Im not a big fan of porn it but still watched it the times you asked and always tried to do better and even spice it up with outfits to surprise u a little. I feel like Because of that I couldn't find a girl, you thought I was not caring, but that is not the case at all. I should have showed you everyday how serious I am and how much I care about seeing you and all the things we could do. I also feel like it was miss communication at times. I think in my head I was just thinking that you know how much I want to see you and when you have time you will let me know, or something. But that was wrong of me I should have showed you everyday how hard I wanna work. Very stupid of me. Just need to see you to show you and remind you how much I care. If we met we would have so much fun it would be great and you would see how hard I try and you would change you mind about me and we could turn this to something positive and fun. I am

Sure. I am someone who really likes you and cares and I am sad it hasn't showed as much and I wanna correct that. If I ever I came off as not caring or loving I am very sorry for

those times. That is not who I am at all or how I wanted to make you feel. I wanna make this right. Really bothers me. We can't have gone this far to stop seeing each other. Please give me the chance.

I will sometime before end of sept. - porn was so you could learn , see . new things and pleasures. not for enjoyment. . they watched head massage. foot massage. stretching videos. . when you did find time , often it was sorry i only have 25 minutes. sorry i only have 30 minutes. ... always something, had I been you I would have watched videos to learn massage. (instead of silly shoots in brooklyn with low level photographers) and when you knew you were going to see me i would have made the time as perfect as possible, new things, toys, techniques. fun. , clean. non hangover . sick, infected. . you told me sorry i overate , i have to cancel/ sis is in

town have to cancel. . my shoot running late. have to cancel. school project with others , have to cancel. . Im sure you realize now , however each time ID say you need to get serious, your future is not some cheap bathing suit photographer in miami. . even in mimici it was , sorry it is too long a drive.
