any one you know going. . thinking about the bill thing . I would never do anything mean to him. I would like to explain to him that he cannot treat you badly. after all these years. whether it be lake hangar or tennis courts. . If you feel comfortable. send me some of the emails that you described. . I would like to get a flavor of his thinking. You can send the automatic deleting type on Skype if you prefer.

Some of them would be great for me to be involved in - they are very creative and tailored to Him bc I know how he thinks.

Larry wants to bring in a pharma guy to work at c3 to manage the work. Not keep me.

I believe if he is shown that he has been and is being unfair , in a direct way he will do the right thing. . gross interactions mean weird looking and sex talk. . not keeping you is NOT RIGHT you can go quietly into the night if you think right. do you feel comfortable sharing with me the emails. ?

My other option is to make stupid recommendations or general ones. Then larry and Melinda can say "see she's a yoyo". I'd prefer to do great work and hope they look favorably on me. But I can't control them.
