Working on it. Have to get hold of my events manager to fit it in so that our thing does not collide with the high level events at UN where everybody have to be. Because of week end I might not get a full overview before Monday morning, and thinking of guest lists. Shall I think about one or two dinners? IPI Middle East dinner is on the 17 September. We have a bit of trouble with the date, because many FMs do not arrive before 18,19. Most will then stay for the rest of the week. Working on names for our stuff, but will have to check availability. What is the ideal number for dinner(s)?
