I think it's actually better for longevity than health

Let's see

Also have been playing around w MRI again like I used to in the old days. You may remember that modern MRI is based on protons in water but that's not as cool as other ways to use MRI.

We can use sodium instead of water

Physics

Thank you for dinner last night. Just so you know, in the future, food should always be served very hot; never lukewarm. Today I will check to see if I can get you a Christmas tree. I don't think you should get one before December 4 otherwise you will get sick of it before Christmas. I don't believe in getting Christmas trees before December. I'm just making sure you have a base for it. If not, you need to get one or I can also get one for you along with the Christmas tree. I have a feeling you're a little clueless in this area. You need a base so that you can stand your Christmas tree straight up and you need to feed it water.
