Thank you so much for sending James my way. He was so helpful and updated everything.  
I really appreciated this. This was better than the lukewarm food last night. :-)

Other stuff:

1. Did sultan Sulayman get in touch w Shai Efrati?
2. Any thoughts on ideas for Paul Allen? I know hes not hiring now but he does love good ideas. His CEO is really good too. Paul wants science ideas / I've got a lot - but he also wants to know about ways to turn science into money.
3. Not sure he'd be interested in a DAF bc he doesn't usually do partnerships or rally other donors (he's super shy!) but maybe?

Anyway - he's very smart and looking to do very good things.

Ok am making my list

Yes on plants but words as pharma is cool. Isn't that just religion?

Any thoughts on money stuff? He's worried his philanthropy is growing out of check. Too much staff etc. he sees BillG and the Foundation now at 1500+ employees. I was employee 28. Crazy growth.
