Good morning!I had a dream where I was kissing every inch of your face.. like I love to
do
And then I went down on my knees and kissed your fingers on your feet .
And it should be finished very sexy like sucking your cock ..
I woke up because of catholic songs that someone was singing in the next apartment
I'm becoming someone who doesn't like catholic people

Vika - you're very smart so it will not come as a surprise that your behavior, was childish,
selfish and self centered. As I'm sure you will understand I am very disappointed but wish
you good luck
