Sir, I just wanted you to know, that all I ever did was follow your wishes, except for that one ruthless second.

Please do not think that I am a vile creature, who only needs your money. All I ever wanted is to work for you, to serve you.

You wished not to talk to me, so I kept my messages as short as possible and only sent them once a month.

I got an internship, which, unfortunately doesn't bring me any income and you kindly agreed to help me out financially during this period of time.

I am very sad, because you have misinterpreted my intentions. I know you are very busy and have much more important issues and opportunities in your life and this is just a drop in the water, that is why I wanted you to see the message.
