When I was not aware of the fact, that I will get this opportunity to live, even for a little while. To leave my sad reality and have a chance to taste life.

I understand that you are used to people taking advantage of your position, Sir. It is a very sad reality of success..perchance.
And it is hard for you to get rid of this perception of people..women..but really, from the bottom of my heart, I can say that I never ever wished to exploit you..I wished to work for a living

I don't know yet, will let you know as soon as I found out!
Im actually a little bit out of money now, I'm waiting for my jobs from clients
It's my birthday today and I really wanted to celebrate it <ss type="smile">)</ss>
