December calendar. (This will be the only time you will see this phenomenon in your life)

1
2 3 4 5 6 7 8
9 10 11 12. 13 14 15
16 17 18 19 20 21 22
23 24 25 26 27 28 29
30 31

The month of December this year will have 5 Saturdays, 5 Sundays, and 5 Mondays. It only happens once every 823 years. The Chinese call it "BAG FULL OF MONEY". Send

this message to all your friends and within 4 days the money will surprise you.
Based on Chinese Feng Shui, the one who does not transmit this message can lose this
great opportunity ... I did my part, you never know!

In doing mitochondrial experiments and reading and thinking deeply about every aspect I think I stumbled onto why autism happens,
Why it is a spectrum and when it happens

Pretty Spooky actually

I think other than BillG you are probably the only other person that could understand all the pieces but it is so simple just missed
