Harvard biz school. He actually went to Boston as opposed to sitting in his dining room not having to debate other students. You could pass the Harvard extension. Would be funny

Oh yes, local politics gets more and more xenophobic. I'm standing in the way of all these people. They just accused me of "following too much the positions of EU and NATO". I don't know how much longer I will be willing to tolerate that. Slovakia clearly moved in wrong direction while I was in New York.

Tonight we're going to our friends house and they're cooking for us. We told them we did not want to stay to ring in the New Year. We're playing it very low-key. I'm glad as I thought this year was particularly disgusting.
