Or IPI. UN is too bureaucratic and being a membership organization it would be politicized. WEF could be a partner. They are not a membership org. Klaus decides everything! Venue could be Abu Dhabi.

On another matter: Gates didn't answer email. However I had a good conversation with Chris Elias, head of the foundation on the phone. He is setting up a meeting with the head of Gates Foundation in London when I'm back from Davos. Would still be good to see Gates in Davos.

On another: Rita came back and said she would be helpful with Edward!!

I'm focusing (without straining) on reversal of biological age
The biggest culprit is " thought "
I'm practicing more than before - Being in the midst of any experience without the
intervention of thought ie no interpretation !
It has a flavor of joyful ness no matter what the experience
Traveling to California then Dubai Abu Dhabi and India first 3 weeks in Feb

It went something like this,

Dear Mr. Jeffrey,

I made this for you and hope you like it. Thank you for being so good to my family and to me. I love the computer! Thank you very much, Dylan

I thank you too. The computer is so much better for her than what she was using before. Volleyball is going well and she just got her report card of straight A's. I'm so proud of her!

Hi. You read my mind. Was about to text. It was great. Woody is doing very well. Not letting this bother him. And he will do my new podcast.

Thanks so much for the apt. Was great. On the way to LaGuardia now.

Had productive two days. Talked to 2 possible donors for the foundation and Trevor Nunn and I met with Kevin Kinsella and Trevor and I will continue to pursue the one man show option.

Sorry I didn't get to see you though.
