Bank just brought in two crisis prevention ppl one of them who kept billg out of crisis for 10 years named david corkery or something like that.

One of the bank PR ppl told me that the bank thinks if my name Comes out I will have a lot of #metoo ammunition and could sue the Bank as well as yahoo. And they are also concerned that I know where a lot of skeletons are hidden. So they seem to be pushing harder to defend me than I thought. Which is good.

The crisis team + lawyers are helping jim put together a letter to be sent soon to banks staff and media etc not sure of timing but they are trying to be very strategic

The two crisis ppl say do not respond to reporter he is fishing. They say the report story

has a few "buckets" of why Jim was a lousy leader and a romantic relationship with me is only one of the buckets. They say the rest is similarly not fact based and more personal but didn't give me details.

Some good suggestions from the crisis folks

Off the record response to reporter and copy the editor and editors editor

The note to my personal mail says nothing about good or bad and he doesn't know what i know about his story so I can respond generally

Facts  
Private citizen  
Etc

Apparently it's a big long piece about Jim maybe 5000 words and the part w me if one of many many allegations
