Maybe he follows me on Instagram and steve on twitter?

On Steve and I had Christmas vacation planned we were leaving from Seattle and I was supposed to be on leave.

But the Islamic development development asked me to
Come to their delivery unit event and help them with their data for a few days.

So steve left ahead of me to Asia. And I re re routed my vacation so I could do the event.

I can't recall all of the "receipts"
Onno Ruehl supposedly have the board bc I didnt get to see copies but i remember the chief of staff telling me that several of his alleged trips didn't even happen or had been planned and cancelled or that I didn't go in the trips and the tickets were refunded.

Sometimes travel would book for the whole entourage when the executive team planned a trip. And then they would just cancel whoever wasn't supposed to be in the trip but that was determined by chief of staff not me. Definitely not Jim he never cared about that stuff

or asked.

Trying to think of "dining alone together"

We used to host delivery lunches in the cafeteria and we would go sit at a big round table and leave a bunch of open chairs so people could join but there are hundreds of people In the cafeteria
