She just writes about her book. When I make clear serious re next chapter she puts off.
Think I need a generous act w a cut off of communication s strategy. My shrink says she
wouldn't be here if she was capable of sustained relationships.

Value of listed shares? Loans are difficult. Other structures should be considered. . I
assume listed share history is not pretty. . more like guarantees. Sale
buybacks. Options in stead of pic. etc

If I were you I would prepare a structure that others can swallow. Structure is as important as substance , if not more so. Money into the right entity structure , is much easier that a carelessly put together one. I am happy to help. No money for me. I have enough , I like friends. Like sultan . You can ask . I don't do things for money. , I make my own
