She answered. I wrote back accurately that I had tripped here in Antigua and needed to be taken back to my room on stretcher and was in pain. She wrote back "sorry to hear that. Pls take care. Need more exercise and diet it appears. ". Is this hostility, difficulty in handling my being old, General chinese coldness or what.

Re the church, the new ny state law gives the right for anyone under 55 to sue, even if their past claims were denied on statute of limitations issues. . they should put together a restitution fund. ASAP. . otherwise bankruptcy with its intrusive filings.

You and I agreed I thought that you wouldn't send anything without review. . I don't  
think you could have sent anything worse. To continue with my badly formed football

zone. Wrongway . .... . but it is the only apt analogy I can think of

Mostly right. Still if I told you I'd fallen and hurt myself you would not have told me to diet and exercise. Is this resentment acting out hostility disappointment That im old or what. If she can't be sympathetic at all to anything we can't get along.

Not at all, you obviously are stressed and im sorry for that. . as you recall , Chinese believe that remarking on your fall , forces you both to recognize an unpleasant situation and for fear of embarrassing you , should say as little as possible. . The western unpleasant but apt analogy , is if someone has a bad gas release. The last thing you should do is remind her or him of it by saying. , no worry. It doesn't smell that bad
