I'm so sorry for asking, but I don't know what to do  
And who else can help me with it  
I know it's my fault I didn't text you and see you for a long time  
I got crazy about having fun  
I came to Vegas and lost 3000\$ then got 1000\$ from 100\$ and created winning system  
better then martingale  
Next day I did 6000\$ from 1000\$  
And 10.000\$ from 6000\$ other day  
Every day I win more then lose and added innovations to the system  
I can explain it to you because it's absolutely brilliant!  
But today I was greedy and lost everything I earned and more  
Now I owe 5000\$ and don't have anything, I'm scared and don't know what to do  
I beg you to help me each time i don't deserve it and want to promise to give it back  
Need 8500\$ for one week then, I'll leave Vegas because got so much stress of it

ambling systems have been around for as long as gambling has. No system has ever been proven to work. From an inside source, I know that system salesmen go from selling one kind of system to another. It is a dirty business by which they steal ideas from each other, and are always attempting to rehash old systems as something new.

It's true, if you sit at the same table and play against one dealer what I do is looking at a lot of tables screens for «treasure»  
I only bet if more than 7-10 times did not fall out for example «black» or «red» I bet \$ 10  
if it not fails again, I skip the turn, then put 10\$ again to go to 0 or 20\$ to make 10\$  
It's always come up, never can be 20 times "red" or "black" in the raw  
The only thing that can be run out of money or dealers cheat

Plus I made a couple of rules, not playing with a dililer who looks at a roulette wheel
