Met with my NATO Ambassador last night. The offer is serious, I seem to be the best candidate for the job (not the only, though). Should have an interview before the end of June, decision to be made in July.
So I have to start thinking seriously whether or not I'm going for it.

A vague offer from the UN (I will forward you my conversation with A. Gutteres). And an offer from Terje to create a position of Secretary General of IPI for me with a view of taking over from him in 5 years. But he doesn't have the budget for it yet.
