How about if you invite Jeffrey Toobin to dinner on Thursday as I'm reading his book American Heiress about Patty Hearst and Woody already read it. That would be so much fun as then I won't have to go and hear him at the New York Historical Society on October

16. That way you will definitely get us there. If he can't do Thursday of this week invite him for another time. Anything to liven up the three of us.

Woody said certain locations are OK to have guests but others are small cramped interiors and we have a large crew and we can't really accommodate other people. The exteriors are much easier to handle guests.

Woody doesn't like many people. I like many people. Who was talking about Woody. However there are exceptions and Woody does like certain ones.
