You want long strong and flexible. You have ovaries that don't respond well to punches . Ballot for women. Weight lifting boxing for men. Just my view.

Lenox , doctor who did surgery for me- I never saw her after that cause I couldn't make an appointment with her, she was " too busy " to see me after surgery and take of my stitches so I went to an emergency room and they took it off and I don't remember her name it's in my medical records . But after I was looking for a good doctor and my friend recommend me dr. A.Shifrin - he has a privet room uptown and he speaks Russian, so it was easy for me to understand - that's why I went to see him .
