i sent you the medical journal article that describes your skin condition , the word idiopathic is a medical term for “we don’t know why “. stress is a factor as are many other things but no real cause , as you can see paracetamol was the trigger in 50 percent of the cases. but not all .

I agree , i just don't want you to appear that you are part of govt . so the " we " has to be made clear , so trump doesn't say he doesn't speak for the country or for its biz . you are doing so well . no need not to be surgical
