I am disappointed. you took money , gambled it away, you took trust and lied. you and I had an agreement you broke it. , and then continued to create drama for yourself . you are sooo smart. and have great potential I can't figure out what has happened.

I now have such a stone in my heart from all that has come in the end
I don't know what to say, but I'm upset about myself
I want to do something and I start to think, but because of thinking, I feel so bad that my
hands are falling
