No, I did tell her everything

By our curiosity we climbed to the second floor, it's not good and ugly

[REDACTED] accused us of stealing

We only took a few personal care items in the bathroom, just because we thought it was for us  
Sorry if we offended you, we didn't think that it would grow into such an unpleasant situation

The combination of surging Russian share prices and a buoyant ruble has generated some of the best investment returns on earth in 2019. In dollar terms, Russian stocks are up more than 28 percent (and more if you factor in dividends). The S&P 500, by contrast, is up more than 16 percent. You heard it before anyone else

You say you want to learn . I repeated many times that “doing “is learning- : reading, watching thinking come AFTER “Doing “. It seems you prefer talking about life rather than living it. Not one time have you asked “ how can i help?” What should i learn? , would you like something? Or can i get you anything, ? As you go to the kitchen. Affirmative desire to learn and then. I receive :Everything is good, thank you.

I sent you one more message.  
How do you feel?
