Yes, I took one small towel to wrap the wine I bought, it's not an excuse, I just did bad Personal care products as a deodorant, because we thought, it was for us and after us no one could use it like toilet paper  
Except that Tanya took pajama pants, she said you like how they looks on her and she thought she can take them  
It's bad that we took these small things that have greatly affected our reputation it would be better if we asked
