Ok but I have my doubts as to your reliability as you often , very often change your mind at the last minute.

I'm not offended it is your life. and your future, . your schedule is not your future, your commitment to your future is. trust me that getting a paper in late or having your students groups not perfect. will make zero difference. if you are unreliable in the world of business, its over. there are hundreds of people for each position, they will not care if your paper was on time.

I find it more thoughtful to send handwritten notes. Also, I was a bit mystified by the whole experience.

You are very right. I am very glad you are telling me this and I really appreciate you taking your time reminding me about what's important in life. It's true, In the end no one cares about what's on time. And honestly lately I realize I can't get an A in every course. It's too hard I just can't do it. Even if I study from the moment I wake up till I go to sleep it is not enough. Also, Next semester I will take 3-3 classes, and work and live and change my life back to more of what's important. I want to be in the business world and figure out how it works

OMG you give the best gifts ever. First the money for the orphanage (Christmas gift) and now the Apple Watch. You can get me gifts any time. ;) Thank you so much. I can't wait to start wearing it. I thought you said it wasn't coming until November 8? However, I'm not complaining. Thanks again. I Love the Hermes boxes it comes in. They really know how to do the packaging. I can't believe you got me both bands. You are too generous and too much. I love being spoiled.

I don't like to leave anything to chance but supposing something happened to you. How do I know that I would get the 15 K for the orphanage? I'm going to also match the 15 K. Can you put it in your will or better yet write me a check for it now? ;) I heard your email was not legally binding. I checked it out with a lawyer.

Take care of it Monday. ;) I promise I won't buy another Hermes Apple Watch because who needs two.

I'm stumped. What name? You can make it out to me. I think that would be the easiest. Just so you know, there's no tax deduction for this. I think you can afford it.

My mistake. Don't make the check out to me. We have to wait for my friend to find out how best to use the money for the orphanage and in what kind of installments. We want this to be as clean as possible. Hold off and stay healthy until we hear from her. She will be writing a proposal.
