Our business office said if you make out the check to me it looks very bad because then it looks like a gift to me.

I don't want to be one of your women or should I say girls. I would be much more expensive than that. You wouldn't be able to afford me.

Hi Jeffrey. Hope you're doing well. Just thought to say hi. I thought about you a lot since your last message. I totally understand your frustration with me. You are so right I should've asked you if you wanted me to wait instead of suggesting to speak another day. Well we all make mistakes. We live and learn and I think I learned my lesson. Anyway thank you so much for everything you've done for me and keep doing. I just want you to know that I really sincerely appreciate you and I'm willing to get better in my English and my communication in general. Thank you again!
Have a wonderful day.
