Don't forget to send me the 24 hour urine report. I need it to discuss with Clifford Jackness the endocrinologist.

☺ I hope you're not in Paris. You should be very careful. You would definitely be a target, but then again they would probably only get sweatpants from you.

Did you read the article? It's in today's New York Times. It's very scary. I'm not sure if Woody spoke to the casting woman. We've been busy with the college tours. We looked at NYU yesterday and now we're on our way to Yale.
