I see this as just one more time , you have an excuse for not doing something, you will never get where you want if you keep doing this, every time you are unreliable. it is crazy. I know you are not stupid . you say you want to change and then again and again have excuses ( alaia agency, I canceled I canceled , i didn't cancel, I didn;t cancel , Im on my bike , ( so what ) when you woke up , you had a chance and didn't do what you said you would, not good NOT
