Absolutely. However, I just got on the seaplane and flew to St. Croix today. Tomorrow is wide open if that would work, I just need to get a flight back to St. Thomas in the morning.

I can probably move some meetings If Monday works better, but Sunday and Monday are my only options before I fly to Paris.

It is not looking good with flights. Everything is sold out with Seabourne and CapeAir both today and tomorrow. The only option I have come up with so far is a private single engine charter for \$1100.

Just returned to the airport. It was great to meet [REDACTED] and take a look at the island. It is a spectacular place and it shows an owner who cares about even the tiniest details. I like that, being a perfectionist myself, with a reputation of noticing every leaf out of place. I also liked hearing that your staff have worked for you so long. So, I'm happy that I got a chance to visit, and would love to discuss further.
