If you decide to delay your trip home . I will arrange and pay for a new ticket home for you. It seems silly to go home for 6 weeks , if you will not be moving ahead. and learning. ? we can Skype tonite.

Im so happy to go there! <ss type="smile">)</ss> i dont have any shedule yet. My agency push me to try new market with no guruntee it will work. Its like castings and models apt stay. They dont risk anything, i do though. Plus i dont know anybody there. In ny for modeling is slow too but i feel not alone and have my place. I would rather stay in ny, especcially if i could learn here... what would you do being my at my situation?
