I will consider it. I want to help. however, your letter and your visit. simply ask for things . trading , business is an EXCHANGE. . you don't tell me what you offer. you only tell me what you want. . you don't ask me , how you can help.me , you wait .... . I thnk you have great potential. I want you to read your message and see how many times you write I WANT . as contrasted with GIVE
