

Required Information For Electronic Filing - Complete All 3 Sections Below

Per Delaware Division of Revenue

Section 1: Information Needed for Delaware Return

If you received a Form W-2, 1099-R that has Delaware Withholding on it, you are required to enter all information for each of the forms received. You must enter the information exactly as it appears on the form. If you have multiple forms, use the Add button to enter information from each form separately.

Example: If you received two Forms W-2, click the Add button next to the Form W-2 and enter the information for your first Form W-2. After completing the first Form W-2, select the Add button again and enter the information for the second Form W-2. Repeat this for each of the types of forms listed below that you received.
