**LIVE UNITED** 

Dear Mrs. de Jongh:

United Way of St. Thomas-St. John will be conducting its 2012 Campaign Kickoff and donor appreciation award celebration on Sunday, September 11, 2011. You're invited, and we want to see you there! With all that is happening around us, this is to remind us of the good in our community.

United Way of St. Thomas-St. John is helping to bring our community together to create a collective vision, identify its most compelling issues, and determine the best way to address them. We identify and mobilize the assets, knowledge, partners, strategies and collective actions needed to create positive impact on the root causes of problems in order to help change the community in a way that improves lives. Our initiatives and programs include Fund Distribution, the Emergency Food and Shelter Program, Project Homeless Connect and Born Learning. In the near future we will be pursuing initiatives in the area of healthy living.

Through your generous donations we are able to continue fund distribution to support 15 local member agencies. Without your generosity, many of these agencies could not continue to sufficiently provide program services to those who need it most. Your contribution qualifies as a tax deductible donation to charity.

Your investment helps to transform lives of the homeless, the hurting, the elderly and physically challenged, our children, and much more.

We are asking for your continued support. Together, we influence the condition of all. Please 'join the circle of help' again this year by renewing your pledge on September 11, 2011 at The Ritz Carlton St. Thomas at 6:00 PM.

We invite you to join us. Give what you can, Advocate for the common good, and Volunteer whenever you can.  
That's what it means to live United.

With deepest gratitude,

*Cherise*
