Dear Licensee:

Federal Licensing Inc., a full service license preparation firm, is located adjacent to the FCC in Gettysburg, Pa. Since 1982, we have been providing a full line of application services to the licensees of the Federal Communication Commission. To assist the land mobile licensee in maintaining a current and accurate radio license, we regularly review the FCC's public records, and have determined that YOUR RADIO STATION LICENSE HAS EXPIRED. CONSIDERING THE CRITICAL NEED OF CONTINUED OPERATIONS, IMMEDIATE STEPS SHOULD BE TAKEN TO REINSTATE THIS LICENSE WITHIN 30 DAYS OF THE EXPIRATION DATE NOTED BELOW.

Additionally, the newly adopted FCC Policy Statement #91-217 effective August 1, 1991, established a fine of \$8000.00 per day for unlicensed/improperly licensed use of a radio system. refer to reverse side for list of violation / fines, and comments pertaining to the FCC's renewal procedures.

If you are presently operating your radio system, we can assist you in the preparation and filing of the documentation required to obtain A VALID LICENSE, follow the steps below:

1. Review and correct: name, address, contact name and phone #, on the "LICENSE DATA SHEET", below.
2. Note any changes to your system, and attach a COPY of your previous RADIO STATION LICENSE.
3. Tear off the data sheet and attach it to our service and preparation fee of \$ 175.00. Please make your check payable to Federal Licensing, Inc., and mail all items noted using the envelope provided.

Subsequent fees may be applicable, due to changes in the FCC Rules & Regulation's Part 90. All licensees will be notified if affected by these changes.

Assistance regarding your licensing needs is always available by calling Federal Licensing, Inc., between the hours of 8AM and 3PM Eastern Time. (Expiration Division)

FCC RENEWAL PROCEDURES

The FCC notifies each licensee approximately 90 days in advance of the expiration date. The FCC clearly states, "We will not provide special consideration to certain classes of licensees... While we do send renewal notices to licensees, such notices are not required, and we take no responsibility for any failure to send or receive such notices. The act of filing a renewal application remains the exclusive responsibility of the licensee. "

The above comments are extracted from FCC Docket 90.481.
