Dear Mrs. deJongh:

Financial Trust is familiar with the Enid M. Baa Public Library Close-Up Club. Your previous support has helped students from public, private, and parochial schools to attend a week long specifically guided government program in our nation's capital. It included seminars conducted by members of Congress, journalists and other experts. We thank you for your support.

We are seeking your support again! Our students have been invited to attend the *history* making Inauguration 2009 Close Up Program, it includes participation in the Inaugural Parade, the Presidential Oath, Inaugural Address and Close Up Inaugural Ball.

The program cost for each student, including the instruction, travel expenses, meals, and lodging and all of the inaugural events is \$2,500. A contribution from your organization will help defray the cost. This invaluable experience will have our students in the center of Inauguration 2009. The majority of these students are Seniors and have made the decision to forgo their Introductory Nights and Senior Proms and use those monies to help them make it to the Inauguration 2009 Close Up Program.

Contributions are tax-deductible and we will include *Financial Trust's* name as a partner in all of our project promotional materials. Make your check payable to the Close Up Foundation and mail it to the Enid M. Baa Public Library. The Close Up Foundation is a nonprofit, nonpartisan 501-C(3) organization exempt from federal tax. The Federal Employer Identification number for your records is 23-7122882.

Please don't hesitate to call for any further information concerning the Close Up, Inauguration 2009 Program. I can be reached (340)774-0630. Thank you for your interest.

Dear Prospect Sponsor,

I greet you in the name of our Lord and Savior Jesus Christ.

The young people of the Lutheran Church of the Reformation (LCR) are planning to attend a church wide Lutheran Youth Gathering in New Orleans, Louisiana from the 19 – 26 of July 2009. The Youth Gathering attracts thousands of young people from Lutheran congregations across the United States, as well as young people from other parts of the world.

Lutheran Youth Gathering is a spectacular event that each young person in the Lutheran church should have a chance of attending at least once in his or her life time. The youth gathering offers a unique educational opportunity in a unique environment. The young people who attend learn to express their faith through music, prayer, serving the people in need, and by living out their faith in the presence of their peers. The gathering also offers workshops on different biblical topics and service projects in which young people learn to help those who are less fortunate than they are. All this is done in a multiracial and multiethnic environment with an international flavor.

We are eager to give each and every young person in our congregation an opportunity to attend this unique event. The average cost per child is \$1,195 LCR is doing its best to help its youth meet the cost. LCR is therefore very appreciative and give its heartfelt thanks for any donation you might be willing to give to enable our young people to be a part of this life changing event.

Yours truly,

Rev. Lancelot T. Mkhabela

Dear Cecile:

Once again, we thank you and the J. Epstein Foundation for your continuing support of the Miss Virgin Islands Scholarship Organization. We are able to continue our scholarship program for young women in the communities of the Virgin Islands only because of the marvelous contributions from you and other sponsors in our community. This year we were able to offer \$23,000 in scholarships to our five contestants.

We are proud of Shamika Thomas, our new Miss Virgin Islands, and all of the participants in our 2008 pageant. As promised, we are enclosing a report for this quarter on their activities since the pageant. You will be very pleased to see the opportunities made available to our young ladies resulting from the success of our scholarship program.

2008 Miss Virgin Islands, Shamika, has committed one year of community service to the territory until she gives up her crown next June. She is a May 2008 graduate of the University of the Virgin Islands with a degree in biology, and will attend graduate school next year using her scholarship awards, to pursue her career goal in dentistry.

Shamika's picture is enclosed with her thanks for this unique opportunity. We would like to set a date for Shamika to visit at a time convenient to you and your staff. We'll call for a convenient time.

In closing may I say again how grateful we are for your support. Our 2008 pageant was very successful and we grow year to year only with the help of generous patrons like you. Thank you again for your contribution in the amount of \$15,000, including the \$10,000 J. Epstein Scholarship Award, won by our Queen Shamika Thomas!

Warm regards,

Cynthia Jerry

Dear Mrs. de Jongh:

We at the United Way of St. Thomas-St. John (UW) feel that it is our responsibility to remind all of our donors of the mission of the UW, so that you remain confident of our sincerity and dedication to our community. Our mission is to provide leadership, stimulate generosity, promote volunteerism and first and foremost to allocate resources to make our community a better place for all of us to live.

United Way of St. Thomas-St. John supports critically-needed programs that benefit thousands of residents in our community. Our goal is to ensure that these programs continue to be made available to those who are in need of them most, especially in tough economic times.

With two new non-profit organizations joining us this year, we will be supporting fifteen member agencies. Many of these agencies could not continue to operate without additional help....help that could only be provided through your generous contributions. Every tax-deductible dollar you give to United Way in support of these agencies is the best investment you can make in your community.

Your participation is vital to the success of this year's campaign. Your donation helps to change the lives of thousands for the better, building a brighter future for our children, enriching the lives of our elderly, giving hope to those who are hurting, strengthening families and so much more. It is your generosity that makes it possible for the hungry and the homeless to get back on their feet and move towards independent lives. It also keeps kids on track with healthy recreational activities, and provides compassionate nursing care and transportation to the disabled and elderly. Every dollar that is raised, stays here and reaches out in times of crisis, providing legal assistance, disaster relief, assistance to military families and counselling.

The community organizations and people that benefit from your generosity could not otherwise be where they are today without you and your caring. A wonderful thing about you is that you truly understand and recognize this and always respond to it. Please join the "Circle of Help" by giving either through a direct donation now or a pledge for payment at a later date. United Way's effectiveness cannot be felt without your love and magnanimous giving.

Today I ask you to continue to reach out and touch those in your community and continue to help change lives. These are your islands, your home, your United Way.

Sincerely,

Penny Woods

Dear Mrs. de Jongh:

Virgin Islands Council on the Arts (VICA) in partnership with the National Endowment for the Arts and the Institute of Museum and Library Services will sponsor the Territory's second annual "Big Read". As you are aware, Big Read is a national initiative that is designed to revitalize the role of reading in American culture.

The book that was chosen this year is *A Wizard of Earthsea*. *A Wizard of Earthsea*, was first published in 1968 and is the first of a series of books written by Ursula K. Le Guin. The story is set in a fantasy world archipelago of Earthsea depicting the adventures of a young wizard named Ged.

As a fun and inventive approach to have students participate in this territory wide reading initiative, VICA will host a Fan Fiction competition, where students from 6th-12th grade will be given an opportunity to reread the book and write an alternate ending to the book. In addition to the competition we will host a series of activities which includes, but is not limited to book fairs, book readings, discussions and age appropriate book give aways. **We hope that your organization will sponsor five thousand (\$5,000.00) towards the purchase of books.**

As one of our sponsors Financial Trust Company, Inc. would be included in all of our promotional material. We hope that your organization see the importance of this reading program and join our efforts to promote reading in the Virgin Islands.

On behalf of the Board of Directors and staff of VICA we thank you for once again agreeing to be our Big Read spokesperson. For more information on this event please contact Ms. Monique Walters, Grants Officer, at 774-5984 or feel free to visit www.neabigread.org. Thank you in advance for your contribution.

Respectfully,
