Dear Mrs. de Jongh:

The Board of Directors and staff of United Way of St. Thomas-St. John extend thanks for your dedication to our community and the generous support that you have shown for the 2010-2011 Campaign. Your contributions afford us the opportunity to meet the needs of many who are less fortunate and are suffering in our community.

Through your corporate gift of \$3,500.00, Financial Trust Company continues to help address the concerns in our community by meeting legitimate need and bringing hope to the lives of so many. Your involvement made it possible for United Way to raise over \$486,521.00 to invest in effective and efficient human service programs that serve thousands in our community.

Kindly visit our website to see how your contributions engage and impact your islands throughout the year. Please feel free to contact us if you would like United Way to make presentations to your employees on available services, which our member agencies provide.

Sincerely,

Cherise Creque-Quain  
Executive Director
