Re: Open Doors Scholars Program

Dear Cecile:

As you know, this year has brought us a significant increase in requests for financial assistance. Our families are stretching harder to afford tuition. We are trying to meet these needs, but we, too, are stretched.

Financial Trust has been a most generous supporter of our Open Doors initiative in the past. Your support has opened the doors of Antilles School for numerous students from St. Thomas and St. John. You have helped to build their futures.

I hope that you will consider assisting us once more. On behalf of our students, thank you.

Sincerely,

Paul Horovitz
Head of School
