Letter of Recommendation for Sierra Thai Poleon

To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for Miss Sierra Thai Poleon.

Sierra is a very sincere, responsible and focused young lady. I met Sierra 15 years ago when her mother Ann came to work with our organization in 2003, and have interacted with her and the family closely over the years. Sierra thinks both creatively and analytically, and is totally involved in any venture she undertakes. I am also constantly impressed with her outgoing personality, confidence, high self-esteem and social skills. Sierra has proven herself to be an able, hardworking and talented person in both academic and social settings.

I strongly recommend Sierra as a candidate for enrollment at The Piney Woods School. Her intelligence and can-do attitude make her a positive addition to the school population. Sierra is a team leader, a kind and conscientious individual, and an eager student. I am confident that she will thrive in the environment and exceed the standards exemplified at The Piney Woods School.

I give you my highest recommendation with the knowledge that Sierra will live up to and beyond your expectations.

Sincerely,

Daphne L. Wallace
