Quantity

What makes Winter Gardenz New Zealand's favourite Shade houses...

We make the strongest and most durable Shade House available on the New Zealand market! Winter Gardenz are proud of our award winning (/awards.html), unique design. Made from top quality components locally sourced in New Zealand. Designed specifically for our harsh weather conditions and built to last. Choose the Shade House size and height (/size-guide.html) to suit your requirements and using our wide range of accessories (/accessories.html) create a Shade House, that is tailor made for your growing needs.

Shipping and Freight

This Greenhouse comes in two large boxes and can easily be transported on a small domestic trailer. Each box requires two people to lift it.

Delivery costs are: Auckland \$40, Upper North Island (inc. Taupo) \$60, Lower North Island \$75 and South Island \$130. Alternatively you can pick up directly (https://www.wintergardenz.co.nz/contact-the-team.html) from us (https://www.wintergardenz.co.nz/contact.html) (https://www.wintergardenz.co.nz/contact-the-team.html) - Unit 4, 54 Keeling Road, Henderson 0612, Auckland. Please contact us (https://www.wintergardenz.co.nz/contact.html) if you have a query regarding shipping.

*All kitset greenhouse components are sourced and/or made in New Zealand except stainless steel fasteners, glass/polycarbonate glazing.
