	8/15/2019 22:25				INBOX	<p>"I know it's extremely frustrating. [REDACTED] is going to help out also. The problem is that this is how SDNY wants it done with specific AUSA 's on each and OIG agents need to be involved also. So in actuality you and [REDACTED] will probably only be doing 1 interview each along with the OIG agent, [REDACTED]. If we could do it our way or the more traditional way believe me we would. Trying to not make too many waves, [REDACTED] begged us to just keep SDNY happy on this given the attention. Thanks for helping out though."</p>

The subject owns his own island and if he gets wind of the investigation he'll never come back here and we want to avoid an extradition. The subject flew out of Tetterboro about 2 weeks ago.
