News Reporter at Daily Mail
Lives in New York, New York

4:35 PM

Hi there.

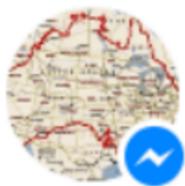

I am a reporter with The Daily Mail in New York. We have some photos of you and some other women at the house of Jeffrey Epstein at the weekend, and I was hoping to talk to you about your relationship with Mr Epstein.

Are you able to reply or call me on 

Or you can reply in here if you like?

Please let me know

Thanks
