

Dear Daddy,

In all things we try to do,
We want to do them just like you.
We're watching every move you make
And trying to take each step you take.

Although right now we're sort of small,
When we're with you we feel ten feet tall.
Like you, we want to be brave and smart,
Cause we love you, Daddy with all our hearts.

When we are older, we'll be so glad
If we grow up to be...
Just Like Dad!

Love Forever & Ever
