Hi, my name is [REDACTED] I don't know who I need to talk to about this but I think I may have been a victim by jeffrey epstein. I was about 15 at the time. My friend said we could make some quick money just by giving a massage. So we met with her friend who his name was [REDACTED] When we went I sat down while she went inside the bedroom. She came out & [REDACTED] said he wanted me to come in. When I walked in there was another man sitting on

the bed which made me even made hesitate to go in but I went in. I gave a quick massage to a man who looks very much like him. Then he proceeded to take my clothes off without my permission. All I remember is getting touched, touching a man, & then having a vibrator on me. After it was all done he gave us money & we left. I'm really trying to remember if it was him or not since I've blocked absolutely so much of those years out of my head. But he looks so familiar & that voice of his as well. Not only that but months later [REDACTED] drives by the place I stayed at & asked me was there anyone in the government or law enforcement looking for him. He said that he was part of a thing with a powerful man & he has to get out of town if they were looking for him. I told him they weren't which it was the case. I know [REDACTED] & other men he knew would give girls but mostly Russian girls places to stay & help them with work. Much of that work was prostitution for rich men that [REDACTED] pimped them out to. So I am hoping you can help me figure out if I was Epstein victims by answering some questions so I can piece it together. Such as could you please tell me if you have proof that Jeffrey Epstein was in [REDACTED] in the 2000's? Did Epstein have Russian girls in [REDACTED]? Do you have a [REDACTED] home address on file for him that I could verify back to you? Finally has the name [REDACTED] ever come up in ur files that's related to Epstein in anyway? If you would be so kind to email me back it would be greatly appreciated. Thank you.
