Details:

On 07/10/2019, at 2:35 p.m. Eastern Time, an anonymous female caller (Anonymous), cellular telephone number [REDACTED], called the FBI National Threat Operations Center (NTOC) to report information regarding her friend Ghislaine Maxwell.

Anonymous provided the following information:

Anonymous was good friends with Maxwell in the 1990's. Around the mid 1990's, Anonymous flew to New York to visit with Maxwell. On her last day in New York, Anonymous was getting ready to go back to the airport when Maxwell stated she wished she would stay because she was going to have a bunch of "girlfriends" over for a party. Maxwell told Anonymous she had the "best sextologist" in the area coming over to show them how to appropriately give a "blow job." Anonymous told Maxwell she was not interested and left.

Anonymous talked with Maxwell on many occasions but has not spoken to her in a decade or so. Anonymous was aware Maxwell was dating Epstein at that time. Anonymous met Epstein but did not like him. Anonymous states Epstein would look you up and down and just did not like the way he acted around woman. Anonymous told Maxwell she didn't want to be around him again and she was not. Anonymous knew Epstein had many woman all the time. Maxwell would leave and another woman would come in. Anonymous never would have imagined Epstein or Maxwell to be involved with children; however, Anonymous wonders if that was just the beginning or if Maxwell's girlfriends were younger girls.
