Details:

On 07/10/2019 at 10:57 A.M Eastern Time, an anonymous tipster with an Internet Protocol (IP) address [REDACTED], submitted an online tip to the FBI NTOC, National Threat Operations Center, via tips.fbi.gov to report information regarding an individual, Michael Capponi, allegedly involved with the Jeffrey Epstein case in Miami Beach, Florida.

The Anonymous tipster provided the following information:

This is about the Jeffrey Epstein case. There's a man on Miami Beach by the name of Michael Capponi who sent shuttle busses full of underage models to Mar-a-Lago "casting

parties" during the time when Jeffrey Epstein and Donald Trump were partying together there in the 1990's. You need to interview this man because more than a few of the girls quit modeling immediately after attending one of those parties.
