I used to be kinda sad that I wasn't ever "cool" enough to get invited to some parties that people I know were invited to, but now, I'm super thankful that I've never accidentally had a photo of me taken with Ghislaine.

She was at the Kleiner holiday party in 2011, but I had no desire to meet her much less have a photo taken with her. We knew about her supplying underage girls for sex, but I guess that was fine with the "cool" people who managed the tightly controlled guest list

Wait what? Everyone in the room knew she was a child sex trafficker... and no one in the room objected to her presence?
