██████████, date of birth ██████████, was interviewed at ██████████. Present for the interview was AUSA ██████████, AUSA Alexander ██████████, Detective ██████████, Special Agent ██████████ and ██████████ attorney ██████████. After being advised of the identities of the above listed individuals and the nature of the interview, ██████████ provided the following information:

██████████ was born in Los Angeles but moved around the mid-west for much of her childhood. Between the ages of 14-18 ██████████ lived in Michigan. She has an older sister (██████████) who moved out when she was 16 years old. She attended ██████████ College which JEFFREY EPSTEIN helped to pay for. She then traveled as a model and eventually came back to Los Angeles.

██████████ met EPSTEIN through her sister. ██████████ was a freshman in high school and 15 years old when she was on a drama field trip to New York City. During this trip, ██████████ was granted special permission from her school to visit with her sister. Her sister was staying at EPSTEIN's house at this time and ██████████ went there to meet her. ██████████ met his secretary at this time but does not remember her name. The secretary was about 25 years old with light brown hair. She was pretty but not the model type. She appeared professional and was wearing a button up shirt. She seemed to know ██████████ sister. The secretary showed them around the mansion and got them a drink. The secretary took pictures of them inside of his garden. The garden was on the ground level next to the house. There was a gate next to the garden to exit to the street. She took a few other pictures of ██████████ and her sister, and gave her an IPOD nano. The secretary got ██████████ contact information. ██████████ and her sister then went shopping. ██████████ flew back to Michigan.

A few weeks later, the secretary contacted ██████████ to tell her that EPSTEIN

had seen her photos and wanted her to meet with him and [REDACTED] sister. [REDACTED] gets invited to a DAVID COPPERFIELD show in Las Vegas. At this time [REDACTED] believed EPSTEIN was giving her sister a free place to stay and he was just a kind man that was helping her out. The secretary arranged the travel. [REDACTED] flew out of Pellston Airport. Her mother assisted the secretary in arranging the travel. This happened in January and [REDACTED] was still 15. She knows this because in February when she returned she had turned 16 and her mother bought her a car.

[REDACTED] recalled arriving in Las Vegas with her sister at some point. There was a few other girls there. [REDACTED] does not know who these girls were but they all eventually traveled to New Mexico together. She was not sure if they saw the COPPERFIELD show but [REDACTED] remembered going back stage. They received a back stage tour which EPSTEIN was present for. There were about six people present for this tour. They only stayed in Las Vegas for the day before going back to the airport, getting on EPSTEIN's plane, and traveling to New Mexico. On the plane to New Mexico was when [REDACTED] was really able to meet EPSTEIN. He gave her a tour of the plane, and they went into the bedroom together. EPSTEIN asked [REDACTED] to get on the floor and feel the carpet. He told her that it was tempur-pedic carpet flooring. EPSTEIN told her that when he sleeps in the bed he likes to have women sleeping at his feet. [REDACTED] felt insecure and not sure why he would tell her this, but doesn't ask why. Prior to getting to the ranch, EPSTEIN asked [REDACTED] her age. [REDACTED] told him she was 15 years old. EPSTEIN's secretary already knew her info prior to flying because [REDACTED] gave it to her. EPSTEIN spent most of the plane ride in his room and they all drank champagne. EPSTEIN asked [REDACTED] if her parents voted for BILL CLINTON to which she answered yes. There was a model on the plane that was on the cover of a magazine.

When they land in New Mexico they got into a black SUV. They drove to the ranch separately from EPSTEIN. When they arrived at the ranch, [REDACTED] stayed with her sister in a small house not connected to the main house with another girl (a photographer with red hair). Everyone ate together in a main hall. Everyone with him appeared to be his friends and not employees. It was explained to [REDACTED] that she can do whatever she wants while on the ranch but they all have to come together for dinner. If she was needed for something someone would come and grab her. [REDACTED] stayed at the ranch for about 3-4 days. This was the last time that [REDACTED] was with EPSTEIN. [REDACTED]

was invited to come see him again after this but she declined.

[REDACTED] was interested in the ATV's at the ranch. Her sister showed her the indoor pool and hot tub. They went in the hot tub in her underwear. Her sister told her that the jets are pointed so that 16 year old girls could all masturbate at the same time. While they were in the hot tub, EPSTEIN walked in. EPSTEIN told [REDACTED] to hug him, then made fun of her underwear.

At some point during this trip, the red headed photographer asked [REDACTED] sexual questions. On approximately the next day, she gave [REDACTED] a massage. During this massage, [REDACTED] saw a video camera in the corner. It was a security type camera, "a ball type camera". She told [REDACTED] to get naked and told her that she specialized in tongue massage. During the massage, she focused on [REDACTED] genital area. [REDACTED] did not enjoy it but did not stop her. She felt bad because she knew [REDACTED] did not enjoy it.

Approximately the next day, a maid type middle aged woman told [REDACTED] that EPSTEIN wanted to see her. EPSTEIN took [REDACTED] to his bedroom upstairs. The curtains were closed. EPSTEIN laid on his bed and asked [REDACTED] to give him a massage. He was only in a robe. He kept opening up his robe while he was on his back and his penis was exposed. [REDACTED] felt as though she knew what EPSTEIN wanted her to do but she did not know how to do it. He then laid her on the floor and took her by the shoulders. He took out a vibrator and used it on her. EPSTEIN was aggressively trying to get [REDACTED] to orgasm. EPSTEIN got a dildo and [REDACTED] faked an orgasm. He then stood [REDACTED] up and brought her to the window and opened the curtain. EPSTEIN asked [REDACTED] to explain to him how amazing her first orgasm was. He wanted her to explain her feelings. EPSTEIN told [REDACTED] he would be there to guide her through life and her future.

Approximately the next day, [REDACTED] got to ride on the ATV and she crashed it. [REDACTED] was afraid she would get in trouble but soon realized she would not get in trouble for anything she did there. [REDACTED] felt powerless at this thought because no one was there to care about anything.

Approximately the next day, EPSTEIN gave [REDACTED] cash to go shopping in town. [REDACTED] gave the cash to her sister and while in town she checked in with a family friend.

[REDACTED] recalled one night while on the ranch she was made to sit at EPSTEIN's feet as he taught her breathing exercises. EPSTEIN got [REDACTED] white lacy underwear from "Victoria's Secret" and took photos of her in them in his office (this occurred prior to the breathing incident).

Before leaving the ranch, EPSTEIN called [REDACTED] into his office and asked her about her future. She told him that she wanted to go to [REDACTED] College. He wrote her a check for \$5,000 for [REDACTED]. [REDACTED] later used that check to pay for her college. During this conversation, EPSTEIN invited [REDACTED] to his island.

At some point, GHISLAINE MAXWELL arrived in her helicopter with her yorkie. This was about the second day. At first, MAXWELL was very nice. During her stay there, the dog drowned in the fountain on the ranch. After this, MAXWELL became very mean. EPSTEIN told [REDACTED] to not mind MAXWELL, and that he used to date her. All of the girls on the ranch were "so [REDACTED]" about "17-23 years old". One of the girls' name was [REDACTED]. She was about 20 years old and a model in a magazine. MAXWELL was the only older, boss type woman present. MAXWELL was not around for the sexual experiences. She was just around the property. The red head said that EPSTEIN really wanted to make [REDACTED] orgasm. [REDACTED] did not have any conversation with MAXWELL about this incident.

[REDACTED] left the ranch with about \$400 cash from her shopping spree and the \$5,000 check. She may have flown home on his private jet. She had to go back to high school and her mother picked her up. At some point, either her sister or the secretary reached out to [REDACTED] and invited her to the island. There was to be a famous photographer there. [REDACTED] mother thought it would be a great modeling opportunity but [REDACTED] did not want to go. [REDACTED] never saw EPSTEIN after this.

In November of 2014, [REDACTED] saw EPSTEIN on TV when she was in rehab.

[REDACTED] would not speak with or text with the secretary.

[REDACTED] email address is [REDACTED]
