Continuation of FD-302 of (U) Interview of [REDACTED] [REDACTED], On 10/23/2019, Page 2 of 2

EPSTEIN then flipped over and tried to touch [REDACTED]. He then tried to have intercourse with her and she said no. EPSTEIN then began masturbating. He asked [REDACTED] to squeeze his nipples. He then finished and got up. EPSTEIN put \$300 on the massage table.

After changing, [REDACTED] left and met [REDACTED] who was waiting for her. They passed by the kitchen and [REDACTED] pointed out a tall slim girl in the kitchen who was about 19 years old and had short dark hair. [REDACTED] stated that she was EPSTEIN's main girlfriend. [REDACTED] later found a photo in an album from that time period with [REDACTED] [REDACTED] and [REDACTED] in it.

After this incident [REDACTED] went home and did not tell anyone as she was ashamed. It turned her off to modelling and she stopped doing it. She left New York City in October and she never spoke with EPSTEIN again. She knows she left in October because her resume said when she started a nanny job after leaving New York.

[REDACTED] recalled meeting JEAN-LUC BRUNEL, the owner of "Karin Models" at a club. [REDACTED] recalled him being funny and she went back to his home with other models. At his home there was alcohol and cocaine. [REDACTED] was not sure what, if anything, happened to the other girls but BRUNEL did nothing to [REDACTED]. She does recall him being "handsy" with the others but was not sure if he was that way with her.

[REDACTED] never talked to [REDACTED] about the sexual things that EPSTEIN would do. After leaving EPSTEIN's house, [REDACTED] had seen [REDACTED] out a few times. [REDACTED] invited [REDACTED] roommate [REDACTED] to EPSTEIN's. [REDACTED] went once, but at the time [REDACTED] wasn't sure if she got paid. No one ever called [REDACTED] back following this incident.
