██████████ advised that when she was in her late teens and early twenties she was friends with many club promoters, hostesses and bartenders. ██████████ would attend parties at clubs with friends. ██████████ friend, First Name Unknown Last Name Unknown (LNU) who worked as a party promoter invited ██████████ to an event where she first met JEFFREY EPSTEIN. ██████████ recalled EPSTEIN was mean to her and she got a negative "touchy feely vibe" from him that made her feel uncomfortable. ██████████ had bad experiences previously with men and was very weary of men that gave her negative feelings. She advised she was never alone with EPSTEIN. ██████████ may have seen EPSTEIN years later when she worked as a bartender at the ██████████. She may have also seen him at ██████████ when she worked there as a waitress.

██████████ agreed to speak with law enforcement in the future and was provided with the signing agent's contact information.
