[REDACTED], hereby referred to as [REDACTED], [REDACTED], was interviewed at 290 Broadway, New York, New York. Present for the interview were [REDACTED]. After being advised of the identities of the above listed individuals and the nature of the interview, [REDACTED] provided the following information:

The situation with [REDACTED] and JEFFREY EPSTEIN was very isolated. It was not something that crossed [REDACTED] mind that other people may have been involved in. [REDACTED] thought EPSTEIN and GHISLAINE MAXWELL were a couple. [REDACTED] thought EPSTEIN was going behind MAXWELL's back at the time when [REDACTED] was with him. MAXWELL and [REDACTED] were the only two people [REDACTED] knew to be involved but [REDACTED] knows that now mostly because of everything coming out.

On one occasion, [REDACTED] recalled going to Africa with BILL CLINTON, EPSTEIN and MAXWELL. At the time, EPSTEIN was a father figure to [REDACTED] and this was something she wrote in her journal.

[REDACTED]

[REDACTED] GYPSY brought [REDACTED] along to the 4 Seasons Hotel in Beverly Hills where she first met MAXWELL. While GYPSY was massaging MAXWELL, she asked [REDACTED] many questions. Sometime later, MAXWELL called GYPSY and asked if she could fly [REDACTED] out to massage her for a week. That same night [REDACTED] met MAXWELL at the Santa Monica airport and they flew on a jet to West Palm Beach. This occurred approximately somewhere around April of 2002.

When they arrived in West Palm Beach, an unknown driver was waiting to pick them up. They were driven to the Palm Beach mansion. MAXWELL told [REDACTED] that DONALD TRUMP was their neighbor. MAXWELL told [REDACTED], "My partner Jeffrey is a Ralph Lauren type, do you like that?". MAXWELL also said, "Do whatever he likes and you'll be fine". When [REDACTED] arrived,

[REDACTED] showed [REDACTED] to her room. [REDACTED] then became sick.

Hours later, [REDACTED] explored the house and went to find something to eat. There was a chef in the house. At some point, [REDACTED] came to meet [REDACTED] in her room and said that EPSTEIN was ready for his massage. [REDACTED] brought [REDACTED] into a massage room with a table set up in it. EPSTEIN walked in wearing a towel, took it off and laid on the table. On this occasion, EPSTEIN masturbated until he ejaculated. Massage school had told her that it was the body's natural reaction to get an erection so [REDACTED] believed this was normal, but thought it was weird that EPSTEIN took it a step further.

The next day [REDACTED] massaged MAXWELL. [REDACTED] may have massaged someone else as well. They then flew [REDACTED] home.

MAXWELL came out to Los Angeles twice before their trip to Africa. [REDACTED] worked on MAXWELL several times and [REDACTED] believed MAXWELL was in the dark about everything.

At one point, [REDACTED] was invited back to West Palm Beach and they flew her out. When she arrived, [REDACTED] was told they were going to the island.

They flew to New York together. While in New York, EPSTEIN forced oral sex on [REDACTED] in his office. On this occasion, LESLEY was right outside of his office and [REDACTED] did actually meet her. [REDACTED] flew home after this.

Either MAXWELL or LESLEY called [REDACTED] to schedule the trip to Africa but did not tell [REDACTED] who else was going to come. [REDACTED] made up excuses on why she couldn't go but eventually went. Nothing happened on this trip.

[REDACTED] recalled being raped by EPSTEIN approximately 12 times over 3 years. [REDACTED] stated the earlier incidents were rapes, but the later times he had raped her, she stopped fighting so she believed it was more nonconsensual sex.

MAXWELL or LESLEY dealt with the scheduling for [REDACTED] and EPSTEIN.

[REDACTED] became increasingly upset during the interview. Not all details were discussed during this interview. [REDACTED] was willing to speak at another date. Interview was concluded.
