with college-bound juniors

The Selection Index is the sum of your verbal, math, and writing skills scores. NMSC uses the Selection Index as an initial screen of over 1.3 million students who enter its scholarship programs (see reverse).
The asterisk () next to your Selection Index means you do not meet entry requirements for NMSC's 2005 programs. See your responses to entry items below and further information on the reverse side.

Entry Requirements
Below is information you provided on your answer sheet.

Full-time high school student:
YES

Year to complete high school and enroll full time in college:
2006

Years to be spent in grades 9-12:
4

U.S. citizenship:
YES

*NOTE: Students who will be leaving high school and entering college in 2006 or later must take the PSAT/NMSQT again in their third year (junior year) of grades 9 through 12 to enter NMSC programs.

Your Educational Plans

Grade Average C

College Major Psychology

Career Photographer

Information above is self-reported.
Description: Psychology majors study human and animal behavior and explore the processes involved in normal and abnormal thoughts, feelings, and actions. Students increase their understanding of behavior while learning psychological facts, methods, principles, and generalizations about individuals and groups.
